# Giving. Simplified.

You're ready to invest in the people and communities around you and uplift those who need it most. Consider the benefits of an uncomplicated, tax-savvy way to do it: a donor advised fund.

Giving creates positive change in people, institutions and communities. It sustains a multitude of worthwhile organizations. It launches innovative new programs and services. Plus it makes us feel good and want to celebrate.

When you have a lot to give, it can be tricky figuring out the best approach to maximize your effort. That's where a donor advised fund can be helpful.

Tax efficient and easy to set up and maintain, donor advised funds offer many benefits:

- > No capital gains tax on long-term appreciated assets that are gifted
- > Immediate tax deduction for the full market value of the gift for most assets
- > No excise taxes, unlike a private foundation
- > Assets donated no longer part of the estate value
- > No minimum annual distribution requirement for DAF account holders

The Raymond James Charitable Endowment Fund (Raymond James Charitable) simplifies giving by making grants to charitable organizations on your behalf.

Because a donor advised fund doesn't have a capital gains or excise tax, you'll watch your giving dollars go even further - without any more effort from you.

As a tax-qualified public charity, Raymond James Charitable provides you with immediate and full tax deductions and, at the same time, seeks to increase the value of your original gift through prudent investing.

And what could be more personal? You can even put your family name on your account and pass it down for generations, ensuring that your gift keeps on giving for years to come.

Raymond James Charitable simplifies and increases your giving power while it addresses your tax and financial needs.

## Give Smarter

When you give to your favorite charities through Raymond James Charitable:

- > Give later, get a tax deduction now
- > No capital gains tax
- > No estate taxes
- > Potential for gifts to grow tax-free
- > Most of the benefits of a private foundation but with less work
- > Consolidated giving efforts that ensure a legacy for generations to come

## IMPORTANT DETAILS ABOUT YOUR RAYMOND JAMES CHARITABLE ACCOUNT

### CONTRIBUTIONS

To establish a Raymond James Charitable account, you can contribute as little as \$10,000 in cash, marketable securities or mutual fund shares. Subsequent contributions can be made in amounts of \$500 or more.

Raymond James Charitable can also assist companies and small businesses with their charitable giving. The minimum contribution for companies is the same as it is for individuals. The fund lets individuals or businesses outsource the administrative responsibilities, leaving more time and resources to focus on grant making and addressing the company's strategic goals.

Whether individuals or corporations make them, all gifts to Raymond James Charitable are irrevocable, so it's important for you to consider your long-range needs before choosing to give.

Before you make your initial gift, you will be asked to complete and sign a donor account application. You will also be asked to name your account. You can honor a cherished family member – “The Margaret Smith Memorial Fund” – or you can highlight your personal charitable goals – “The Smith Family Foundation for the Performing Arts.”

Name your account in honor of someone or to  
highlight personal charitable goals.

## RAYMOND JAMES CHARITABLE HAS A UNIQUE INVESTMENT APPROACH

Unlike many other donor advised funds, it invests in mutual funds other than those offered by a sponsoring firm, providing you with greater choices of investment options. There are two types of selection options depending on the contribution level. Assets contributed to the fund are invested tax-free.

## LIBERTY OBJECTIVE OPTION: FOR ACCOUNT BALANCES OF ANY SIZE

You may recommend that your donation be invested in one of these seven investment objectives:

**MONEY MARKET OBJECTIVE** – Seeks the preservation of capital and the production of income exclusively through investment in a money market fund investing in the highest quality, very short-term debt instruments.

**INCOME OBJECTIVE** – Seeks income and capital preservation primarily through the use of a mutual fund portfolio consisting of exposure to U.S. government and global corporate bonds.

**INCOME WITH GROWTH OBJECTIVE** – Seeks income and provides a growth component through the use of a mutual fund portfolio consisting of exposure to U.S. government and global corporate bonds and a modest exposure to diversified common stocks.

**BALANCED OBJECTIVE** – Seeks to provide a balanced allocation through the use of a mutual fund portfolio – providing both growth and income.

**GROWTH WITH INCOME OBJECTIVE** – Seeks long-term growth of capital primarily by investing in a diversified mutual fund portfolio consisting of equity exposure and income through the use of U.S. government and global corporate bonds.

**GROWTH OBJECTIVE** – Seeks long-term growth of capital primarily by investing in a diversified mutual fund portfolio consisting of equity exposure across the market capitalization and growth spectrums, including prudent exposure to international markets.

**ENVIRONMENTAL, SOCIAL & GOVERNANCE (ESG) BALANCED OBJECTIVE** – Seeks long-term capital appreciation with strong growth potential through investments with best-in-class environmental, social and governance practices.

The RJCEF Board of Trustees may change both the specific funds utilized and the asset allocation.

The Money Market Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the fund seeks to preserve the value at \$1.00 per share, it is possible to lose money in the fund.

***Consider the investment objectives, risks, charges and expenses of an investment company carefully. The prospectus contains this and other information and should be read carefully before investing. The prospectus is available from your investment professional.***

***For more complete information, including fees and charges, please read the prospectus for the mutual funds in these objectives carefully before sending money.***

#### INVESTMENT ADVISOR PROGRAM (IAP) OPTION: FOR ACCOUNT BALANCES OF \$500,000 OR MORE

You may select the Liberty Objectives option or choose to use the Investment Advisor Program (IAP), which allows you to nominate your financial advisor to manage the assets held in the account.

Choosing appropriate investment options is only part of the process. The board must also continually monitor the investments as part of its fiduciary responsibility. Its goal is consistent performance over the long term.

Any income or appreciation achieved will be reinvested. So, to the extent to which your gift grows, additional funds will be available for the charities you recommend.

---

#### When establishing a fund, you will be asked to advise in four areas:

How the money is invested within the options offered by the fund

Which charities will ultimately receive grants from the fund

How much will be given to each charity

Who will make these decisions instead of or as a successor to you

## CHOOSING THE CHARITIES AND CAUSES YOU WANT TO SUPPORT

While people support different charities, the one common denominator among donors is a generous spirit. You want to make a difference. And now you can watch your giving work harder and smarter for you for years to come.

You may recommend grants to any combination of more than 1.5 million U.S. charities that qualify as 501(c)(3) public organizations under the Internal Revenue code.

The timetable is up to you. Grants can be made at any time – today or 10 years from now – whenever it makes the most sense as a part of your giving strategy. And you can take the full tax deduction on your contribution – up to the limit of the law – immediately. Unlike private foundations, the fund does not require individuals to make a 5% distribution annually; however, the fund in aggregate must give away 5% of its assets each year.

You will have plenty of time to consider your choices, and the fund will be happy to verify the tax-exempt charitable status of the organizations you recommend, thereby protecting you from supporting nonqualified recipients and losing your tax deduction. And because you have plenty of time to think about your choices, you won't be hurried into making snap decisions at year-end to meet tax deduction deadlines.

Although your charitable contributions are usually fully tax deductible, every individual's tax situation is unique. Before donating to the fund, you may want to consult your attorney or accountant with questions about your tax liability.

## MAKING GRANTS TO FULFILL YOUR CHARITABLE WISHES

Once you've chosen your charities and you're ready to give, subject to board approval, the fund will review recommendations and make grants from your account in amounts of \$100 or more to as many qualified charities as you wish. The fund will send a letter with the grant check recognizing that you recommended the gift, or, if you wish, you can remain anonymous.

## Your choices of charities may include:

ELEMENTARY SCHOOLS

COLLEGES

MEDICAL RESEARCH

MUSEUMS

HOSPITALS

NATURE PRESERVES

RELIGIOUS ORGANIZATIONS

HOMELESS & ABUSE SHELTERS

COMMUNITY CENTERS

FINE ARTS

YOUTH CAMPS

ANIMAL RESCUE

... plus many other worthy organizations

Among the **largest areas of interest** for grants made from Raymond James Charitable donor advised funds are **faith-based, education and schools, and social services.**

#### THE FUND ENABLES YOU TO

- > Create a legacy of giving in your family name
- > See the benefits in your lifetime and designate a successor donor
- > Name charities to receive grants beyond your lifetime

## A WIDE RANGE OF BENEFITS, FROM REDUCING TAXES TO LEAVING A LEGACY

### IMMEDIATE TAX DEDUCTION

One of the most appealing benefits of the fund is that you can take an immediate tax deduction – up to the maximum allowed by law – for the amount you’ve donated.

Then, you can recommend the fund make grants to your favorite charities at any time in the future – next week, next year or 10 years from now. You avoid the pressure of having to make snap year-end decisions because of an income tax deadline, and you can spread your giving over time. Recurring grants can be arranged, putting your charitable giving on a schedule for us to administer. And because the fund is a public charity, you may be able to take a larger deduction within a given year than you would for a donation or contribution to a private foundation.

### NO CAPITAL GAINS TAX

If you contribute long-term appreciated securities to the fund, you’ll avoid capital gains tax on the appreciated portion and receive an immediate charitable tax deduction for the full fair market value of your gift. This is particularly useful for shares bought at a very low price (or other basis) that have appreciated greatly over the years.

### NO ESTATE TAXES

Assets donated to the fund during your lifetime are no longer part of your estate and, therefore, not subject to probate. To gain additional estate-planning benefits from the fund, you may leave a bequest to the fund or name the fund as the beneficiary of a charitable remainder trust, an IRA or other retirement assets. Of course, you should always consult your tax advisor for in-depth guidance on these strategies.

Your gifts have the potential to grow. Depending on the investment objectives you select and the number of grants you make, your gift may earn interest and build over time, so you may be able to give even more than the value of your original gift.

#### CREATING A TRADITION OF GIVING

You can't live forever, but your passion for helping others can. The fund enables you to create a legacy of giving in your family name, see the benefits in your lifetime and designate a successor donor – your children, grandchildren or other important people in your life – to recommend grants for you after your death. Alternatively you may name specific charities to receive grants beyond your lifetime.

#### THE PLEASURE OF GIVING WITHOUT THE BURDEN

Raymond James Charitable provides all the administration and reporting services you need for your giving program, including the documentation you need to calculate and support income tax deductions.

Raymond James Charitable will keep you apprised  
of account activity with status reports each quarter  
and an end-of-year contribution summary statement  
for easier year-end tax preparation.

## GAIN THE ADVANTAGES OF A PRIVATE FOUNDATION WITHOUT THE EXPENSE

## FREQUENTLY ASKED QUESTIONS

### **Q. Are there certain requirements to setting up and maintaining a DAF account?**

**Yes.** A \$10,000 minimum contribution is required to open an account, with a tiered fee schedule and a minimum annual fee of \$125. The minimum amount to grant to a charity out of your DAF is \$100. Grants take three to 10 business days to process because each charity is reviewed for approval according to IRS requirements for DAF distributions.

### **Q. May I recommend grants from the fund in lieu of completing a pledge I've made?**

**No.** This is because, for the IRS, a pledge has the appearance of a personal debt, so fulfilling that debt would be seen as a personal benefit.

### **Q. May I recommend that the fund make grants to any charity of my choice?**

**Yes.** You can recommend a grant to any U.S.-based public charity qualified under Section 501(c)(3) of the Internal Revenue Service tax code, which we will check for you.

### **Q. May I change my mind about my investment approach at a later date?**

**Yes.** Donors have the ability to recommend transfers of their account from one investment strategy to another, subject to the approval of the board of trustees.

### **Q. May I recommend grants from the fund to a private foundation?**

**No.** Private non-operating foundations can't receive gifts because they have different tax treatments. However, the reverse is acceptable. So, if you are considering both giving options, know that you are able to move your funds directly from a private foundation to a DAF.

### **Q. If I put money into the fund, may I take it out later?**

**No.** All gifts made to the fund are irrevocable.

### **Q. Are there any other limitations I should know about before I get started?**

**Yes.** Gifts out of your DAF account cannot pay for things that are only partially deductible, such as pay dues, buy charity event tickets or purchase goods at a charitable auction. Grants may not be used for lobbying, political contributions or political campaigns.
